Artificial Intelligence in Medicine," Vol. 14, No. 1, September 1998-October 1998, pp. 201-214;

U.S. Patent No. 5,809,476 to RYAN, which issued on September 15, 1998;

U.S. Patent No. 6,100,824 to MACLEOD et al., which issued on August 8, 2000;

Japanese Laid-Open Patent Publication No. HEI 11-259568, which was published on September 24, 1999. Applicants note that this document was submitted in the previous Information Disclosure Statement, and thus no copy is being provided herewith;

U.S. Patent No. 6,016,478 to ZHANG et al., which issued on January 18, 2000; and

European Patent Application Publication No. 0 150 273 A2, which was published on August 7, 1985.

The category of relevance, pertinent portions, and claims to which each document is relevant, as ascertained by the European Examiner applying European rules to the European claims are set forth in the European Search Report.

Applicants respectfully request that the Examiner consider the above materials and cite the same. Copies of all the documents, except the previously cited Japanese document, are enclosed herewith and all of the documents have been listed on the attached PTO-1449 Form. The Examiner is requested to initial the appropriate spaces on the attached Form and to return a copy of the Form to the Applicants with the next official communication in the present application to confirm consideration of these documents.

Applicants note that an Office Action on the merits has not issued in the instant application, and thus no fee is believed necessary to ensure consideration of the submitted material. However, if an Office Action on the merits has issued, and is crossing this statement in
